You do not need to have an email address to apply for membership. The mandatory information needed has a "*" to those items. If, for some reason, a "Country" or "State or Province" is not shown which is needed to finish filling out your application, please "Return to HOME page" and go to "ABOUT" and "CONTACT US", so the "Country" or "State or Province" can be added to the lists. After filling out the appropriate information for membership, it would be greatly appreciated if the information below could be filled out. It is not necessary and can be skipped. After the above information is filled out, you will need to click on the "I'm not a robot" to allow you to submit your application.

The following is what you will see:

You have successfully “input” your information for the LDSIG Membership. If you paid using PayPal, the payment was successful. If you specified “check”, it will take some time to receive the “check” to be processed. You will also receive an email if you gave an email address that your membership has been sent. Once the Membership Chair processes your request, you will have an email sent to you, stating you can now log-in to the Membership Services portion of the website and what issue of the LDJ your membership will start.

At this time, you can start the log-in process by creating a password, so you will be able to go to “Member Benefits”.
